A Teacher's Guide to Adapted Physical Education: Including Students With Disabilities in Sports and Recreation, Fourth Edition Martin E. Block

A healthy, active lifestyle for all students: That's the promise of physical education, and the goal of this comprehensive textbook. Now in a thoroughly updated fourth edition, this text prepares current and future PE teachers to lead welcoming, inclusive classes where every student participates, makes friends, and learns new skills and values. K–12 physical educators will get **cutting-edge research and guidance** on inclusive education, **concrete strategies** for planning and implementing an adapted PE program, and valuable **disability-specific information**. An essential resource for preparing both general PE teachers and adapted PE teachers, this text will provide a solid foundation for physical education classes that meet every student's needs.

WHAT'S NEW:

- **9 new chapters on teaching students with specific disabilities.** These significant new additions make this book an ideal primary text for Adapted Physical Education (APE) courses
- **Aligns with key elements from the NASPE standards** for general physical education and the Adapted Physical Education National Standards for APE
- **More student-friendly features:** updated tips and reproducible forms for planning and teaching, chapter objectives, additional resources, and more case studies
- **More photos and illustrations** throughout the book to emphasize key points
