Brecht's Poetry of Political Exile (Cambridge Studies in German)

Brecht's Poetry of Political Exile (Cambridge Studies in German)

Bertolt Brecht, one of the most influential European playwrights of the twentieth century, was also a poet of distinction. This volume is the first comprehensive study devoted to his most important collection of political poetry, the Svendborg Poems. The contributors analyze Brecht's work critically and historically, discussing it in relation to questions of poetics, political commitment, exile, propaganda, rhetoric, and the scope and limitations of political poetry. Links are also drawn with the work of German, Soviet and English poets of the period, and with later German poets.
