## **Cowgirl Rising: The Art of Donna Howell-Sickles Peg Streep**

Cowgirl Rising is a beautifully rendered metaphor for today's woman. Here, Streep weaves the story behind Howell-Sickles' vision of the cowgirl and places her in the context of world mythologies. The result is a celebration of the courage, self-reliance and exuberance of the cowgirl spirit, and indeed of the female spirit today. 120+ full-color paintings.
