Culture and Politics

Jan-Erik Lane, Uwe Wagschal

Culture and Politics Jan-Erik Lane, Uwe Wagschal

This concise, accessible text presents an overview of the relevance of culture for politics. Culture figures prominently in the theories of the great classics such as Marx, Durkheim and Weber. Recently, the cultural approach to politics has developed quickly, and the concept of political culture has played a role in these developments, particularly given the emergence of large-scale survey research into political value orientations.

Seeking to outline this rapid development, the book is divided into three sections:

- Section I of the book discusses the relevance of cultural perspectives to political analysis including discussion of the most significant concepts and methods.
- Section II looks at the core elements of political culture – tradition, ethnicity and religion.
- Section III examines emerging research avenues and opportunities including social capital, value orientations in the postmodern world, newer formulations of political culture such as gender and sexuality and the influence of the environment.

Drawing on a wealth of examples and a comprehensive analysis of comparative data, this textbook is essential reading for all students of political culture, research methods, political sociology and comparative politics.

From reader reviews:

Joyce Hazel:

Book is usually written, printed, or descriptive for everything. You can realize everything you want by a e-book. Book has a different type. We all know that that book is important point to bring us around the world. Close to that you can your reading skill was fluently. A publication Culture and Politics will make you to become smarter. You can feel considerably more confidence if you can know about every thing. But some of you think that will open or reading a book make you bored. It is far from make you fun. Why they may be thought like that? Have you in search of best book or suitable book with you?

Rose Watkins:

Your reading sixth sense will not betray a person, why because this Culture and Politics reserve written by well-known writer whose to say well how to make book that can be understand by anyone who all read the book. Written with good manner for you, dripping every ideas and creating skill only for eliminate your hunger then you still skepticism Culture and Politics as good book not merely by the cover but also with the content. This is one book that can break don't judge book by its handle, so do you still needing a different sixth sense to pick this kind of!? Oh come on your reading through sixth sense already said so why you have to listening to a different sixth sense.

Ethel Springer:

This Culture and Politics is great book for you because the content which is full of information for you who always deal with world and have to make decision every minute. This specific book reveal it data accurately using great organize word or we can point out no rambling sentences inside. So if you are read that hurriedly you can have whole details in it. Doesn't mean it only gives you straight forward sentences but challenging core information with splendid delivering sentences. Having Culture and Politics in your hand like obtaining the world in your arm, data in it is not ridiculous 1. We can say that no book that offer you world with ten or fifteen minute right but this book already do that. So , this can be good reading book. Hey there Mr. and Mrs. stressful do you still doubt this?

Carlie Manson:

Reading a book for being new life style in this 12 months; every people loves to learn a book. When you learn a book you can get a wide range of benefit. When you read ebooks, you can improve your knowledge, because book has a lot of information in it. The information that you will get depend on what sorts of book that you have read. In order to get information about your research, you can read education books, but if you act like you want to entertain yourself read a fiction books, this sort of us novel, comics, in addition to soon. The Culture and Politics offer you a new experience in reading a book.
