The Reason is You Sharla Lovelace

In this "astonishing and glorious" (*USA Today*) romance from the bestselling Sharla Lovelace, a woman returns to her Texas hometown and rediscovers the meaning of true love...

In the small town of Bethany, Texas, Dani never fit in. Being different pushed her to the fringes of society, and even leaving town for two decades didn't stop the talk. Now she's back, trying to settle in with her daughter and have a normal life. But the men in her life might not make it that simple. First, there's her old friend Alex. He's mischievous, sexy, and still hot enough to melt her shoes. And he's a ghost—a real one, who's always been there for her when she most needed him. Of course, there are actual men in Bethany, too. Like Jason with his hard body. Dani seems to have a habit of running into him—literally. Now she must decide between a man who long ago touched her heart and a man she can actually touch...

Nancy Stever:

As a university student, I exactly feel bored in order to read. If their teacher expected them to go to the library in order to make a summary for some guide, they are complained. Just very little students that have reading's soul or real their leisure activity. They just do what the teacher wants, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that examining is not important, boring as well as can't see colorful photos on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we really wish for. Likewise, word says, many ways to reach Chinese's country. Therefore, this The Reason is You can make you experience more interested to read.
