Walking the Shores of Cape Cod Elliott Carr

In *Walking the Shore of Cape Cod*, Elliott Carr invites his readers to join him on a literary, a philosophical, and a very physical journey around the perimeter of this peninsula. An inveterate walker; he explores and investigates many of the Cape's most public and private places – even to the extent that he is eventually driven off the beach in the back of a police car: Complete with maps and recommendations for the reader's own Cape adventures, this is a book of Thoreauvian proportions.
