Bear Encounters: True Stories to Entertain and Educate

Bear Encounters: True Stories to Entertain and Educate

Bear Encounters is a collection of more than 90 stories about the run-ins everyday people have with bears. From the one about the black bear at the cabin that was chased away by the fifteen-pound family dog, to the bear that harmlessly wandered through a Boy Scout camp, these brief and often funny encounters capture the true nature of bears. The stories were collected from fans of the North American Bear Center and are grouped into sections that debunk common bear myths.
