Cherringham - Final Cut: A Cosy Crime Series

Matthew Costello, Neil Richards

Cherringham - Final Cut: A Cosy Crime Series Matthew Costello, Neil Richards

When a big movie production comes to Cherringham, complete with lords, ladies, and flashing swords, the whole village is abuzz with excitement. But when a series of dangerous accidents threatens the life of the young lead, Zoe Harding, Sarah and Jack get involved. Are these really accidents? Or could they be something more sinister - even deadly? Who is trying to destroy the career of the beautiful young star - and why?

-- Cherringham is a serial novel à la Charles Dickens, with a new mystery thriller released each month. Set in the sleepy English village of Cherringham, the detective series brings together an unlikely sleuthing duo: English web designer Sarah and American ex-cop Jack. Thrilling and deadly - but with a spot of tea - it's like Rosamunde Pilcher meets Inspector Barnaby. Each of the self-contained episodes is a quick read for the morning commute, while waiting for the doctor, or when curling up with a hot cuppa.

-- For fans of Agatha Christie's Miss Marple series, Lilian Jackson Braun's The Cat Who series, Caroline Graham's Midsomer Murders, and the American TV series Murder She Wrote, starring Angela Lansbury.

-- Co-authors Neil Richards (based in the UK) and Matthew Costello (based in the US), have been writing together since the mid 90's, creating content and working on projects for the BBC, Disney Channel, Sony, ABC, Eidos, Nintendo to name but a few. Their transatlantic collaboration has underpinned scores of TV drama scripts, computer games, radio shows, and - most recently - the successful crime fiction series Cherringham. Now into its second season of 12 novellas, Cherringham is popular around the world and has been adapted as a series of audiobooks in Germany.
