## Living Lies Dawn Brown

Doing whatever it takes could get them both killed.

Twelve years after her sister's disappearance, Haley Carling spends her days trying to hold what's left of her family together, running her late father's shop and caring for her alcoholic mother. Then her sister's remains are uncovered in the basement of their old home, and fingers start pointing. At the Carlings.

Dean Lawson, long the prime suspect in the Carling girl's disappearance, is sure he's got evidence proving who the killer is. He's determined to clear his name, and he won't let anything stand in his way. Not even his lingering attraction to Haley.

Haley is just as determined to protect her family from the former town bad boy's accusations. But now someone is stalking her, and Haley realizes Dean's the only one she can trust.

With a killer closing in, Dean wonders if he's made the biggest mistake of his life...a mistake that could cost Haley her life.
