The Face of Spain Gerald Brenan

Gerald Brenan returned to Spain in 1949 for the first time since the Civil War. He was determined to see what had become of the country he loved, to speak to ordinary people and to experience life in small towns unvisited by foreigners. He had earlier lived in a remote village in the Sierra Nevada now he returned to a land in the grip of famine where guerrilleros roamed the mountains and thousands of people were reduced to living in caves.

Whether searching for his friend Lorca's unmarked grave, musing on the history of the great mosque in Córdoba and ancient synagogues in Toledo or chatting to provincial shopkeepers, Brenan was unfailingly perceptive. Although shadowed by police informers and harangued by Francoist priests, he was undeterred, and this witty and humane account of his visit illuminates a chapter of Spanish history that remains almost unknown. Franco's regime has now vanished, but its ghosts continue to haunt Spain. When they were alive, no one described the ogres and their victims more vividly than Gerald Brenan.

From reader reviews:

Phyllis Kelly:

Book is definitely written, printed, or created for everything. You can learn everything you want by a book. Book has a different type. As we know that book is important thing to bring us around the world. Alongside that you can your reading expertise was fluently. A e-book The Face of Spain will make you to always be smarter. You can feel a lot more confidence if you can know about anything. But some of you think that open or reading a new book make you bored. It isn't make you fun. Why they are often thought like that? Have you in search of best book or ideal book with you?

Jeff Williams:

As people who live in the actual modest era should be upgrade about what going on or data even knowledge to make these people keep up with the era that is always change and move forward. Some of you maybe will certainly update themselves by examining books. It is a good choice for you personally but the problems coming to anyone is you don't know what one you should start with. This The Face of Spain is our recommendation to cause you to keep up with the world. Why, as this book serves what you want and want in this era.

Jesus Thresher:

Why? Because this The Face of Spain is an unordinary book that the inside of the e-book waiting for you to snap the item but latter it will zap you with the secret this inside. Reading this book adjacent to it was fantastic author who all write the book in such incredible way makes the content on the inside easier to understand, entertaining method but still convey the meaning completely. So , it is good for you for not hesitating having this anymore or you going to regret it. This book will give you a lot of rewards than the other book get such as help improving your expertise and your critical thinking means. So , still want to delay having that book? If I ended up you I will go to the guide store hurriedly.

Ruth Jones:

As a pupil exactly feel bored to reading. If their teacher inquired them to go to the library as well as to make summary for some publication, they are complained. Just minor students that has reading's internal or real their pastime. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that looking at is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this The Face of Spain can make you feel more interested to read.
