A Chicago Firehouse: Stories of Wrigleyville's Engine 78 (Voices of America) Karen Kruse

From its humble beginnings in 1884 as a one-story frame building with one bay to house Hose Company 4 and its team of horses, Engine Company 78 has been the firefighting sentinel at the end of Waveland Avenue, sitting in the shadow of Wrigley Field. Using vintage photographs and moving stories from firefighters themselves, Karen Kruse captures the spirit and heroism of this historic Chicago landmark. Captain Robert F. Kruse served the Chicago Fire Department for 30 years, half of those at Wrigleyville's Engine 78. Growing up within the tight-knit firefighting community, Ms. Kruse records the dramatic and touching stories from her father's and his peers' experiences, and combines them in this volume exploring the unique history of Lakeview's firehouse, including a foreword by Mike Ditka and preface by Fire Commissioner James Joyce. With details about little known historic districts and a brief guide to Chicago's cemeteries and their relations to firefighters, A Chicago Firehouse: Stories of Wrigleyville's Engine 78 relays in first-hand accounts some of Chicago's most fiery tragedies, the brave men who battled them, and the diversity of the neighborhood that housed them.

Michael Sweet:

Are you kind of stressful person, only have 10 or even 15 minute in your time to upgrading your mind talent or thinking skill possibly analytical thinking? Then you are having problem with the book in comparison with can satisfy your short space of time to read it because all this time you only find reserve that need more time to be learn. A Chicago Firehouse: Stories of Wrigleyville's Engine 78 (Voices of America) can be your answer mainly because it can be read by you actually who have those short time problems.

Stacie Schneider:

As a university student exactly feel bored to reading. If their teacher requested them to go to the library or even make summary for some reserve, they are complained. Just tiny students that has reading's soul or real their hobby. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that looking at is not important, boring as well as can't see colorful pictures on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this A Chicago Firehouse: Stories of Wrigleyville's Engine 78 (Voices of America) can make you feel more interested to read.
