Blinded: The Story of Paul the Apostle Steve Ross

The story of the life of Paul, made unfamiliar and new to those versed in it and simply compelling to those learning it for the first time. Picking up from where his highly praised (and receiving national press attention) graphic novel *Marked* left off, *Blinded* follows the apostle Paul from persecutor of the early church, to believer and missionary, to his death in Rome.

Theologically sound and with startling imagery, *Blinded* is a potent and accessible story powerfully told.
