Two women in the witness protection program have been murdered in Montana. The connection? The mob...and the victims' green eyes. Coincidence? Not according to journalist Violet Kramer, who's counting on her exposé to reveal the truth, protect women in danger—and establish herself as an ace reporter. Undercover cop Clay West thinks she's making a deadly mistake that could bring the mob to her door. And when the lawman with the piercing black eyes insists on protecting her himself, Violet knows she's *already* in danger.
