## **Odio, amistad, noviazgo, amor, matrimonio (Spanish Edition)** Alice Munro

Alice Munro nos invita a participar en un juego cuyas reglas pronto se conocen gracias a dos niñas del Ontario de los años cuarenta: escribe tu nombre y el del chico que te gusta, tacha todas las letras que se repiten y cuenta el resto recitando: «odio, amistad, noviazgo, amor, matrimonio». Cuando llegues al final averiguarás qué os depara el futuro. Tras este juego infantil e inocente se esconden preguntas de gran profundidad: ¿Cómo nacen las relaciones? ¿Son fruto de la casualidad o del destino? ¿Son de la misma naturaleza las que escogemos de las que no? En los nueve relatos recogidos en este libro, la literatura se vuelve itinerante como la memoria misma, y crea personajes tan contradictorios como cualquier persona de carne y hueso.

« Estas historias parecen sacadas de un álbum de familia, transmiten vida.»

*The New York Times*
