Philosophy Bridging the World Religions (A Discourse of the World Religions)

Philosophy Bridging the World Religions (A Discourse of the World Religions)

This is the fifth and last volume of the EXPO-Discourses of the World Religions (World Exposition EXPO 2000, Hannover, Germany). The series aims at a deeper understanding of the similarities and differences between Hinduism, Buddhism, Judaism, Christianity, and Islam in their theological and philosophical propositions. It sees in philosophy a bridge between the religions and a means to overcome religious hostility and fundamentalism and to further the dialogue of the religions.
