## **Wizards of the Galaxy (Daystar Voyages Series #2)** Gilbert Morris, Dan Meeks

Something evil lurks beneath the shimmering city of Merlina Dangerous wizards have taken over several small planets in a far corner of the galaxy but without the use of modern weapons of any kind. What's going on out there? While some of the Daystar crew believe the wizards possess a deadly evil force, others say it's just a mixture of myth and fairy tale. But Merlina is not the only place where something is not right. The Daystar has a new surgeon on board, Dr. Temple Cole. While polite, intelligent, and extremely beautiful, she is definitely hiding something. Can the crew uncover her secret before it's too late? Join the young Space Rangers as they seek to divert the wicked plans of the wizards. Share in their excitement as they see the power of Jesus conquer the evil forces of Satan. See how the crew of the Daystar learns that riches don't necessarily bring happiness, and things that look good on the outside can be rotten to the core.
