C. H. Dalton

**A Practical Guide to Racism** C. H. Dalton

**A look at the races of the world by a lovable bigot, capturing the proud history and bright future of racism in one handy, authoritative, and deeply offensive volume**

Meet C. H. Dalton, a professor of racist studies and an expert on inferior people of all ethnicities, genders, religions, and sexual preferences. Presenting evidence that everyone should be hated, *A Practical Guide to Racism* contains sparkling bits of wisdom on such subjects as:

- The good life enjoyed by blacks, who shuffle through life unhindered by the white man's burdens, to become accomplished athletes, rhyme smiths, and dominoes champions
- The sad story of the industrious, intelligent Jews, whose entire reputation is sullied by their taste for the blood of Christian babies
- A close look at the bizarre, sweet-smelling race known as women, who are not very good at anything?especially ruling the free world
- A crucial manual to Arabs, a people so sensitive they are liable to blow up at any time. Literally.

Including a comprehensive glossary of timeless epithets, with hundreds of pejorative words for everyone from Phoenicians to Jews, *A Practical Guide to Racism* is an essential field guide for our multicultural world.
