## **Dear Yankee** Lady Soliloque

"And so, my dear Yankee, it is with open arms that I begin this correspondence with you. As a bonafide Southern Lady, born and bred, I can understand how confusing and bewildering my culture is to anyone who was not born and raised here. I know several of you who have been in residence for quite a spell and are still completely baffled by all but the most surface aspects of being Southern and all that being Southern entails. "I have high hopes that our forthright communication will lead to a new understanding which can only deepen our respect for one another." And so begins a collection of letters from the Southern perspective on everything Southern a Yankee needs to know. From cooking, to cliques, to manners, to the explanations behind what seems to be the strange culture of the South, Dear Yankee, Letters from a Southern Lady covers all aspects of the South with poignant humor.
