The Ultimate Step by Step Guide to Master Crochet and Learn Advanced Crochet Stitches

The ease of crocheting coupled with its benefits makes it a viable pursuit for all ages and genders. Recent studies show that crocheting holds and offers numerous health and psychological benefits that make it productive beyond just creating beautiful garments from a series of basic and rudimentary steps. Over the course of seven chapters various stitches will be covered in an illustrated, step-by-step fashion to help you build your capabilities and create professional and intricate looking items in no time. Unlike other tutorials, this book has a natural rhythm to slowly guide you through the process. Starting with the basics and working upward this book offers insight, tips, and tricks you won't get anywhere else.

Seven detailed chapters cover everything you need to know to master crocheting in a simple, linear format including:

- In-depth descriptions of the tools of the trade and the benefits of having the correct materials
- Methodologies and step by step illustrations for basic stitches including the slip knot, single stitch, and half double stitch
- How to change colors at the beginning, middle or at the ends of rows
- The Granny Square, shells and rounds
- Tips an trick every serious crocheter needs to know

Nowhere else can you find information this in-depth that will turn your basic stitches into works of art! Read this book and take your work to the next level! Breathe new life into old skills while working to develop new skills and stitches! Everything that you need to improve and enhance your stitches, as well as, all of your crocheting skills and abilities are here for you.
