## **Catering for Two, Comfort and Economy, for Small Households (Classic Reprint)** Alice L. James

Dining well on small means is an art only to be acquired by long experience, and the object of the following chapters is to give the result of sixteen years labor and study, so that the way may be made easier for others just taking upon themselves the duties of a housewife. In the accompanying menus the directions are exact and absolutely reliable. There is no indefinite a little of this, or just enough of that, to puzzle the beginner, and the dishes, which are nourishing and appetizing, are inexpensive as well, a consideration not always taken into account. Catering for Two is for the inexperienced cook, and while the proportions are limited to the needs of two, or at most three, it is only necessary to double the rules to make the quantities sufficient for the ordinary family.

(Typographical errors above are due to OCR software and don't occur in the book.)
