## El Papa Francisco (Pope Francis): Semblanza Fotografica del Papa del Pueblo (Spanish Edition)

Michael Collins

Written in Latin-American Spanish, *Pope Francis: A Photographic Portrait of the People's Pope* is a beautiful celebration of the first Jesuit and Latin American pope and offers a rare look at life behind the scenes with His Holiness Pope Francis.

Inspiring photographs from one of Pope Francis' official photographers, Rodolfo Felici, capture both significant and informal events, from papal visits throughout the world to spontaneous moments at the Vatican, creating an exceptionally intimate portrait of the pope and an inside look at papal life. In *Pope Francis: A Photographic Portrait of the People's Pope*, this close-up is coupled with the inside knowledge of author Father Michael Collins, a former adviser at the Vatican, who provides a complete look at the workings of the papacy and the Holy City.

Created in full cooperation with the Vatican, *Pope Francis: A Photographic Portrait of the People's Pope* is a beautiful tribute to His Holiness Pope Francis, a true pope of the people.

Also available in English edition.
