Oscar Wilde

Plays of Oscar Wilde (Vintage Classics) Oscar Wilde

This Vintage edition of The Plays_of Oscar Wilde contains the plays that made Wilde one of the most important dramatists of his time, including The Importance of Being Earnest, one of the great works of modern literature.

Oscar Wilde's plays demonstrate once again why their author must be seen as both an inaugurator and a master of modernism. In his best work, the subversive insights embedded in his wit continue to challenge our common assumptions. Wilde's ability to unsettle and startle us anew with his radical vision of the artifice inherent in the self's construction makes him our contemporary.

This edition is introduced by John Lahr, author of Prick Up Your Ears: The Biography of Joe Orton. The plays included are Lady Windermere's Fan, Salome, A Woman of No Importance, An Ideal Husband, and The Importance of Being Earnest.

From the Trade Paperback edition.
