The Dungeon's Front Door & Other Things in the Deep Dark

Alexis D. Smolensk

The Dungeon's Front Door & Other Things in the Deep Dark Alexis D. Smolensk

Join an intrepid, rakish day adventure into the fantasy dungeon, the staple of fantasy role-playing games. Here are 13 essays surveying the sub-structure of dungeons and their philosophy, what makes them popular and what we can do to expand their potential. With humour, inventiveness and biting sarcasm, Smolensk uncovers the relationship between dungeons and post-apocalyptic survival, digs into the megadungeon, breaks the fourth wall and reveals the dual natures of time and fate hidden behind the Dungeon's Front Door. A great experimenter, there are few who can compare with Smolensk's drive and dedication.
