Troublemaker and Other Saints Christina Chiu

Meet the Wongs, Shengs and Tsuis. Each of these families has its own troubles and secrets—and something the other two want. But the three clans—whose members include a matriarch who talks to dead relatives; her nymphomaniac granddaughter; an old man who reads only decades-old newspapers; and a street punk—share a past and face a common future. Told in a sequence of interwoven stories, **Troublemaker** “refracts classic old-vs.-new-world tensions through the prism of second-generation Chinese-American Gen-Xers.” (**Time**)

Nominated for the Stephen Crane First Fiction Award
