## Eleven Things I Promised Catherine Clark

Catherine Clark has crafted a poignant story about the distances one girl is willing to go in the name of friendship that is at once funny, heartbreaking, and utterly romantic.

Seventeen-year-old Frances wouldn't describe herself as adventurous. Until now . . .

Frances has one week—while she'll be away from home competing in a high school bike race—to do every single thing on the Fix-It List. Ten crazy, totally out-of-character ideas her best friend, Stella, came up with to make the bike ride unforgettable. However, as each item on the F-It List opens Frances up to new adventures, new friends, and possibly even a new romance, it becomes increasingly difficult for Frances to keep the one promise that she knows she absolutely must obey—her promise to not tell anyone the truth about the accident that left Stella broken and angry, and started Frances on her quest to complete the list.

When it comes to friendship, Frances must decide what distances she's willing to go, and what risks she's willing to take, for the person she cares about the most.
