Introduction to Hermeticism - Its Theory and Practice: Institute for Hermetic Studies Monograph Series Mr. Mark Stavish M.A.

Introduction to Hermeticism - Its Theory and Practice is a complete overview of the history, philosophy, and practice of Hermeticism from the classical to modern period. Students new to Hermeticism will find this book indispensable in helping them to find their way through the labyrinth of Hermetic ideas and how they are to be understood. Completely annotated, along with an outline of key points, and a suggested reading list, Introduction to Hermeticism - Its Theory and Practice is ideal for use in college classes as well as by members of practical study groups and lodges. This monograph is a completely revised and updated edition of an IHS paper previously released in 2004, and is the first title published in the Institute for Hermetic Studies Monograph Series.
