Questions For My Father: Finding The Man Behind Your Dad Vincent Staniforth

I had ample opportunity to ask Dad these questions when he was alive, But it seemed that a million reasons not to do so could always be found. It was a waste of everything Dad had ever seen, done, and thought about not to hear his answers, and I regret not finding out more about him when I had the chance. *Questions for My Father* was borne of that regret and has one underlying objective: to develop a blueprint for discovery so that children of any age can start to build a clearer, deeper picture of the man behind the word . -- Vincent Staniforth
