Reinventing Your City is an essential guide for every city leader striving to make their community a better place. Whether you run a small town or big metropolis, creating a successful city takes a proven strategy. Authors Kim Briesemeister and Chris Brown are the Co-Founders of Redevelopment Management Associates, a company that has transformed numerous blighted communities into successful role models for redevelopment. Highly respected leaders in the field, the expert authors have now written a book sharing over six decades worth of insights, along with comprehensive case studies and expert viewpoints from national and international city and business leaders. Designed in a step-by-step structure, each chapter of the book delves into the complexities of city management and team building, government politics, economic development and public-private partnerships. Providing solutions in smart easy-to-follow format, this book will become a blueprint for any leader looking to make their city thrive.
