Review Questions for MRI Carolyn Kaut Roth, William H. Faulkner

**** New revised second edition now available, with errors corrected and content fully updated ****

The second edition of the classic text has been revised and extended to meet the needs of today's practising and training MRI technologists who intend to sit for the American Registry of Magnetic Resonance Imaging Technologists (ARMRIT) examination. It provides Q&As on topics listed in the content specifications offered by the American Registry for Radiologic Technologists (AART) and offers the user with a comprehensive review of the principles and applications of MRI to prepare them for the examination.
