**"Shockingly brutal, profoundly transcendent."** --*Seattle Times*

Already considered a classic of Holocaust literature, *The Seventh Well* is a novel of total absorption, a heroic achievement, and one destined for literary transcendence. Fred Wander demonstrates that the survival of a single man is a collaborative enterprise, and *The Seventh Well*, named after the well of truth, recalls Dante's *Inferno* with its mesmerizing descent into evil. Its existence is a miracle.
