Toward 2015: A Church Odyssey Richard Kew, Roger J. White

Richard Kew, the director of the Russian Ministry Network, and Roger White, the Episcopal Bishop of Milwaukee, chart the course that churches must take in order to achieve the goal of a strong, lively, and mission-centered church. The authors believe that the organizing principle of tomorrow's church must be the business of mission, witness, and evangelism. Each chapter ends with a point-by-point summary and questions for discussion. A list of ministry resources offers connections with others who are actively preparing for ministry in the twenty-first century.
