Manly Meals and Mom's Home Cooking: Cookbooks and Gender in Modern America Jessamyn Neuhaus

From the first edition of *The Fannie Farmer Cookbook* to the latest works by today's celebrity chefs, cookbooks reflect more than just passing culinary fads. As historical artifacts, they offer a unique perspective on the cultures that produced them. In *Manly Meals and Mom's Home Cooking*, Jessamyn Neuhaus offers a perceptive and piquant analysis of the tone and content of American cookbooks published between the 1790s and the 1960s, adroitly uncovering the cultural assumptions and anxieties—particularly about women and domesticity—they contain.

Neuhaus's in-depth survey of these cookbooks questions the supposedly straightforward lessons about food preparation they imparted. While she finds that cookbooks aimed to make readers—mainly white, middle-class women—into effective, modern-age homemakers who saw joy, not drudgery, in their domestic tasks, she notes that the phenomenal popularity of Peg Bracken's 1960 cookbook, *The I Hate to Cook Book*, attests to the limitations of this kind of indoctrination. At the same time, she explores the proliferation of bachelor cookbooks aimed at "the man in the kitchen" and the biases they display about male and female abilities, tastes, and responsibilities.

Neuhaus also addresses the impact of World War II rationing on homefront cuisine; the introduction of new culinary technologies, gourmet sensibilities, and ethnic foods into American kitchens; and developments in the cookbook industry since the 1960s. More than a history of the cookbook, *Manly Meals and Mom's Home Cooking* provides an absorbing and enlightening account of gender and food in modern America.

If you want to test look for book, may be the e-book untitled Manly Meals and Mom's Home Cooking: Cookbooks and Gender in Modern America can be very good book to read. May be it could be best activity to you.

Maria Casillas:

As a scholar exactly feel bored to be able to reading. If their teacher requested them to go to the library in order to make summary for some guide, they are complained. Just little students that has reading's heart and soul or real their hobby. They just do what the professor want, like asked to the library. They go to there but nothing reading significantly. Any students feel that examining is not important, boring as well as can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Manly Meals and Mom's Home Cooking: Cookbooks and Gender in Modern America can make you experience more interested to read.
