A warm, inventive and funny series about three siblings who live by their own rules. The Tinklers Three celebrates the freedom and inventiveness of childhood – when the ordinary can become extraordinary. The Tinklers are finally getting a pet! They have done a lot of hard things to show they're ready for one. They've eaten an extra bowl of ice-cream every day, cleaned their teeth while hopping on one foot, and done a very good job of making a mess.

But can they agree on which pet would be best?
