Eros & Thanatos

Melinda Selmys

Eros & Thanatos Melinda Selmys

In these philosophical dialogues, questions of love, sex, death and retribution are explored by a group of characters representing a wide diversity and experience. Unlike many books with a dialogue format, this one doesn't have a Socrates character who is always right. Each character brings some aspect of truth to the table and it is only through a clash of ideas and insights that they approach a solution to the problems they confront.
