With absent parents, overdue rent, and no one to turn to, Adele is forced into the hard, cold world of homelessness. While striving to maintain the pretense of a “normal” life, Adele attempts to finish high school, all the while concealing her secret. But is she strong enough to keep up the act?

Forgotten will propel teen readers into a world where promises are broken, life is not fair, and challenges seem unbearable, while still offering assurance that solid faith, loyal friends, and a persistent spirit will prevail.
