Tales from the Taiwanese (World Folklore)

Gary M. Davison

Tales from the Taiwanese (World Folklore) Gary M. Davison

Although there are many collections of Chinese folktales, few if any focus specifically on the tales of Taiwan, which have evolved in a tradition separate and distinct from that of mainland China. This wonderful sampling of more than 20 Taiwanese tales will appeal to all ages, illuminating Taiwanese culture and demonstrating Taiwanese values and ethics. In addition, readers will find a brief history of the island, discussion questions, and activity ideas to extend learning and enjoyment, as well as simple Taiwanese recipes, color photos, and traditional drawings. Stories can be read aloud to younger students, while older children will enjoy reading and performing them on their own. This delightful introduction to Taiwanese traditions is a superb educational tool, and a great addition to the storytelling shelf. Grades K-12.
