A tree has bloomed on a city block outside a house for many years. Inside that house, several generations of a family have grown up. Grandma and Grandpa arrived at the house from a country far away, and Mom and her brothers played on the steps on warm summer days. This little girl learned how to walk on that street, too. Hyewon Yum's *This is Our House* is a warm story with spare text that follows a family through seasons and generations, from the early days of immigration to the times that made their house into a home.
