Vitamins and Hormones

Vitamins and Hormones

First published in 1943, **Vitamins and Hormones** is the longest-running serial published by Academic Press. In the early days of the Serial, the subjects of vitamins and hormones were quite distinct. The Editorial Board now reflects expertise in the field of hormone action, vitamin action, X-ray crystal structure, physiology, and enzyme mechanisms. Under the capable and qualified editorial leadership of Dr. Gerald Litwack, **Vitamins and Hormones** continues to publish cutting-edge reviews of interest to endocrinologists, biochemists, nutritionists, pharmacologists, cell biologists, and molecular biologists. Others interested in the structure and function of biologically active molecules like hormones and vitamins will, as always, turn to this series for comprehensive reviews by leading contributors to this and related disciplines.

Key Features

- * First published in 1943, Vitamins and Hormones is AP's longest running serial
- * Each volume contains cutting edge reviews by leading contributors

From reader reviews:

Nancy Tandy:

As people who live in the particular modest era should be up-date about what going on or information even knowledge to make all of them keep up with the era and that is always change and advance. Some of you maybe can update themselves by looking at books. It is a good choice to suit your needs but the problems coming to anyone is you don't know what one you should start with. This Vitamins and Hormones is our recommendation so you keep up with the world. Why, because this book serves what you want and wish in this era.

Janice Burgess:

Playing with family in a park, coming to see the ocean world or hanging out with friends is thing that usually you may have done when you have spare time, and then why you don't try matter that really opposite from that. One particular activity that make you not sense tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love Vitamins and Hormones, it is possible to enjoy both. It is great combination right, you still need to miss it? What kind of hang-out type is it? Oh can happen its mind hangout men. What? Still don't have it, oh come on its named reading friends.

Irene Allen:

Your reading sixth sense will not betray anyone, why because this Vitamins and Hormones reserve written by well-known writer who knows well how to make book which might be understand by anyone who read the book. Written within good manner for you, dripping every ideas and publishing skill only for eliminate your hunger then you still question Vitamins and Hormones as good book not only by the cover but also by the content. This is one publication that can break don't ascertain book by its include, so do you still needing an additional sixth sense to pick this!? Oh come on your examining sixth sense already told you so why you have to listening to one more sixth sense.

Carol Smith:

Don't be worry for anyone who is afraid that this book will probably filled the space in your house, you can have it in e-book method, more simple and reachable. This specific Vitamins and Hormones can give you a lot of friends because by you considering this one book you have issue that they don't and make a person more like an interesting person. This particular book can be one of one step for you to get success. This guide offer you information that probably your friend doesn't understand, by knowing more than some other make you to be great persons. So , why hesitate? We should have Vitamins and Hormones.
