A young boy and his dog learn traditional Inuit knowledge

Jake's puppy Kamik is growing quickly, but the dog isn't becoming any easier to handle. All Jake wants is to raise his puppy into a strong, fast sled dog, but Kamik is far from ready to pull a sled with a dog team. With some advice and a little help from his grandmother, Jake learns basic principles of how to begin training a dog to pull. Kamik finally has his first sled, and he and Jake can finally begin exploring the tundra together. But Jake and Kamik are still inexperienced, and when a blizzard starts blowing in across the tundra, Jake has to rely on his knowledge to get home. Inspired by the life memories of the author, an Inuit elder, this book lovingly presents basic dog-rearing practices that even the youngest dog lover can try.
