Villette Charlotte Bronte

Villette is the story of Lucy Snow, a teacher at an all-girls boarding school in Belgium who finds herself caught up in her students' romances, reunited with old friends, and searching for a love of her own. Exploring themes of gender roles, repression, isolation, and religion, *Villette* is best known for following Lucy's psychological state.

Villette, originally published using Charlotte Brontë's pseudonym Currer Bell, was reworked from her first novel *The Professor* after it was turned down by publishers, and reflects Brontë's own experiences as both a student and teacher at a boarding school. It has been adapted for radio and television, and inspired Jamaica Kincaid's 1990 novel *Lucy*.
