At the time of the revolt among the angels 203,000 years ago, Georgia was among those angels who aligned themselves with Lucifer and the rebels. She has remained on this world with occasional side trips to Zandana, another planet of quarantined rebel angels, since the time of the revolution, taking on the angelic role of Watcher. Writing together with Timothy Wyllie, Georgia provides her personal account of the period on Earth from 39,000 BC to 16,500 BC.

Georgia shares her experiences being present as the Lemurian civilization in the Pacific reached its pinnacle and seismic upheavals overwhelmed its island home of Mu. She describes the elaborate Pleiadian evacuation operation and the Lemurian diaspora, explaining how their belief system took root in India, Tibet, China, and South America. She reveals how the emerging Atlantean civilization, now also collapsed, preyed on the far flung settlements of the Lemurian empire. She explains angelic knowledge of esoteric science, such as the spiritual influence of Venus and the link between spiritual centers on higher planes and ancient monuments on Earth, including the Giza pyramids. Georgia interweaves her story with observations about Timothy Wyllie's current and previous lives, such as his long involvement with the Process Church and his interactions with other a rebel angel incarnates like Timothy Leary.

Georgia shares her words, in part, to awaken some of the 100 million rebel angels currently living their human lives, most unaware of their angelic heritage. She reveals how a mortal incarnation for a rebel angel is an opportunity to redeem her past and help prepare the way for the imminent transformation of global consciousness as the rebellion planets, including Earth, are welcomed back into the Multiverse.
