A Buffalo in the House: The True Story of a Man, an Animal, and the American West

R. D. Rosen

A Buffalo in the House: The True Story of a Man, an Animal, and the American West R. D. Rosen

A sprawling suburban house in Santa Fe is not the kind of home where a buffalo normally roams, but Veryl Goodnight and Roger Brooks are not your ordinary animal lovers. Over a hundred years after Veryl's ancestors, Charles and Mary Ann Goodnight, hand-raised two baby buffalo to help save the species from extinction, the sculptor and her husband adopt an orphaned buffalo calf of their own. Against a backdrop of the old American West, *A Buffalo in the House* tells the story of a household situation beyond any sitcom writer's wildest dreams.

Charlie has no idea he's a buffalo and Roger has no idea just how strong the bond between man and buffalo can be. In the historical shadow of the near-extirmination of a majestic and misunderstood animal, Roger sets out to save just one buffalo.

Written in the tradition of Ian Frazier's *Great Plains* and the work of Garrison Keillor and Bill Bryson, *A Buffalo in the House* tells an important, uplifting story about one animal's ability to touch human lives and reconnect people of all ages to the vanished past.
