Excerpt from Calvinism and American Independence

This fourth centenary year of the birth of the leading religious reformer of the French race, a son of Picardy, seems an appropriate time to reprint this article, Calvinism and American Independence. For this paper shows the great influence that the religious ideas that emanated from Geneva had upon the development and formation of the political institutions of the United States. It was originally printed in The Presbyterian Quarterly Review, for July, 1876. The author, Mr. Balch, a member of the Philadelphia Bar, who died March 29th, 1877, was the author or editor of many historical or economic works. Among these were: -

Letters and Papers relating chiefly to the Provincial History of Pennsylvania: Philadelphia, 1855.

Papers relating chiefly to the Maryland Line during the Revolution: published by the Seventy-Six Society, Philadelphia, 1857.

Les Francois en Amerique pendant la Guerre de l'Independance des Etats-Unis, 1777-1783: Paris, 1872.

International Courts of Arbitration: The Law Magazine and Review: London, November, 1874, reprinted at Cambridge, Massachusetts, 1874.

Free Coinage and a Self-Adjusting Ratio: Philadelphia, 1877.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com)

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
