"They say the last straw was when Jennifer Lopez asked Ben Affleck to tell her honestly, 'Why do people always take an instant dislike to me?' and he said, 'It saves time.'"

The bigger they are, the harder they fall . . . and the more they pounce on one another. That's the message that comes through in Boze Hadleigh's celebrity gossip collection, *Celebrity Diss and Tell*. Goodness, they have something to say about everyone! Luckily for those who relish insider information and star dirt, Hadleigh is right there to capture their spicy quotes.

Celebrity Diss and Tell includes hundreds of quotations, snipes, and off-the-cuff remarks. The author divides the book into six sections, covering everything from fellow celebrities and stars' families to lost loves and celebrity slugfests. All of this makes for riveting reading: Open to any page and you're instantly stuck in the down and dirty world of off-screen frankness, such as "How difficult can it be to fly an airplane? I mean, John Travolta learned how." --Graham Chapman of Monty Python

They're all here, from Robin Williams to Halle Berry. If anyone has anything good to say about anybody . . . you won't find it in these pages. But that's what makes *Celebrity Diss and Tell* such a good and cathartic read. These stars are only human, after all, and nobody can sparkle all the time.
