God of War, Ares: Guardian (Volume 1) Brandon Chen

In the world of Terrador, the Persian Empire dominates over the other nations on the eastern continent of Dastia. When Darien, the teenage prince of Persia, is banished from his homeland and is forced to wander the endless desert of the Lost Sands, he meets a new and unusual friend, and his grand adventure begins. It is said that no human can cross the vast desert and survive. In the forsaken wasteland, the young boy will discover a power beyond his imagining, one that will change him forever. From the author who brought you the Age of Darkness series comes a new fantasy/action/adventure epic for young adults with a unique mythological twist.
