Heart of a Dolphin Catherine Hapka

When Annie spots a dolphin trapped in fishing line in the cove near her house, she rushes to free him. Everyone cheers when she returns to shore, but only Annie knows that she and the dolphin have forged a special bond. He's become her friend -- and keeps returning to the cove to visit and play!

Meanwhile, out of the water, nothing is going right. Annie's best friend, Emma, has changed, and keeps ditching her to hang out with snobby Morgan. At home, Annie's busy parents barely seem to have time for her, and she's stuck with her hyper younger brother always tagging along. Then a misunderstanding with Morgan makes things even worse... and ultimately leaves Annie alone and in danger. Can her dolphin friend help her when she needs it most?

From reader reviews:

Mary Moore:

What do you about book? It is not important along? Or just adding material when you want something to explain what the ones you have problem? How about your time? Or are you busy particular person? If you don't have spare time to accomplish others business, it is gives you the sense of being bored faster. And you have spare time? What did you do? Every person has many questions above. They should answer that question mainly because just their can do that. It said that about book. Book is familiar in each person. Yes, it is proper. Because start from on jardín de infancia until university need this Heart of a Dolphin to read.

Adrian Rogers:

People live in this new day of lifestyle always aim to and must have the extra time or they will get wide range of stress from both daily life and work. So , if we ask do people have free time, we will say absolutely indeed. People is human not really a huge robot. Then we question again, what kind of activity do you possess when the spare time coming to you of course your answer may unlimited right. Then ever try this one, reading books. It can be your alternative inside spending your spare time, the particular book you have read will be Heart of a Dolphin.

John Barstow:

Does one one of the book lovers? If yes, do you ever feeling doubt while you are in the book store? Try and pick one book that you find out the inside because don't evaluate book by its handle may doesn't work at this point is difficult job because you are frightened that the inside maybe not because fantastic as in the outside seem likes. Maybe you answer is usually Heart of a Dolphin why because the great cover that make you consider about the content will not disappoint anyone. The inside or content is usually fantastic as the outside or cover. Your reading sixth sense will directly make suggestions to pick up this book.

Bradley Printz:

As a student exactly feel bored for you to reading. If their teacher inquired them to go to the library in order to make summary for some reserve, they are complained. Just little students that has reading's spirit or real their interest. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that reading is not important, boring and also can't see colorful photos on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Heart of a Dolphin can make you sense more interested to read.
