## **Love Comes Around: Senses, Book 4** Andrew Grey

Dan was a throwaway child and learned to take care of himself in foster care. As an adult, he devotes his life to the business he started and his heart to raising children no one else wants. Dan has already adopted six-year-old Lila, who walks on crutches, and then decides to adopt eight-year-old Jerry, who suffers from MD and is confined to a wheelchair.

Also abandoned as a child, Connor ended up on his own and retreated into himself. He works as a carpenter and woodcarver and is the perfect man to ensure Dan's home becomes wheelchair accessible.

When Dan hires Connor, neither of the men are ready to open their hearts to the possibility of love. As they learn how much they have in common, both of them must weigh the possibility of family and a future against the risks of getting hurt again.
