MY FAKE FIANCEE (Harlequin comics) Nancy Warren

Chelsea, a chef who trained in Paris, has just lost her job because of someone else's mistake. With her dream of starting an independent business getting nowhere, she's stuck—until her good friend Sara offers her an incredible kitchen to work in. The catch is the kitchen happens to be inside Sara's brother David's high-class apartment, and they want her to be David's fake fiancée for three months! Apparently, David needs to show that he has a steady woman in his life to be promoted to partner. But he was also Chelsea's first love until he broke her heart. It's a mutually beneficial proposition, but can they resist indulging themselves in the dangerously sweet temptations they cook up outside the kitchen?
