The story of Ellen and a kinky stepsister

What happens when a stepsister leads to lesbian yearning, experimentation and more?

Find out in *My Kinky Stepsister: More than Roommates*.

This tantalizing new novel by Marguerite de Lyon explores the tender yet lustful story of coming out to oneself and to that first very special other. It's part of the series Lesbian - a Taboo Family Secret Story.

Adopted into the same family, Emma and Lucy got to know each other and became close sisters, but their adoptive parents divorced and they were separated to distant cities for several years.

We join them as they at last become roommates again in college. Like all college students these two are excited by the prospects of life away from parents and hometowns. Emma found far more than she was expecting!

Notice: This audiobook is only for 18 year olds and above due to language and graphic detail.

Explore for yourself the excitement of that first lesbian experience, and doors of love that lust can open. Share a journey with Emma as she learns to go after and accept the forbidden pleasures, passion, and power she was born with: her true self.
