Polifonía de la presencia y las escrituras (Spanish Edition)

Carlos Satisfabal

Polifonía de la presencia y las escrituras (Spanish Edition) Carlos Satisfabal

Estos ensayos nacen del diálogo pensativo que suscita el ejercicio de la escritura y el gusto por compartir la poesía en la lectura poética, en la composición dramática y teatral, en la acción poético-política, en los estudios de escritura creativa, en el poema.

Son materiales que quieren preguntar por la vida, por la resistencia, por el arte y sus goces. Y por la muerte. Vida, arte, muerte, resistencia y goces que en la época del mercado de los espectáculos se nos escapan en imágenes y representaciones, en espectáculos que quieren sustituir el buen vivir y el buen morir por simulacros. Hoy no se vive ni se goza, ni se muere directamente. Sólo se vive y se muere a través de las imágenes y las representaciones espectaculares.

Ser es consumir representaciones. La cultura del espectáculo es un inmenso mercado de representaciones del deseo y lo deseable. Al arte que hace preguntas lo ocultan los simulacros del entretenimiento espectacular, que inundan las casas y las calles desde las pantallas e invitan al goce vacío, a una diversión huera que no desea preguntarse nada, que sólo quiere agotarse en su consumo para provocar el deseo de ser consumida de nuevo. Como un simulacro del Eros platónico.
